

ARRIVAL FORM – ENGLISH LANGUAGE CENTRE LAUNCESTON 2011

UNIVERSITY OF TASMANIA INTERNATIONAL STUDENTS

The University of Tasmania provides a free airport pick-up service to students arriving to commence their studies at the English Language Centre. When a student arrives with family members or friends the use of the free pick-up service for the additional members of the group will be dependent on availability of space in the vehicle, as other students may be arriving on the same flight. Please ensure your group is carrying sufficient funds to pay for transfers from the airport to their destination.
