Can proceed to GDADE (1 year total duration) and then MADE (1.5 years total duration).
Graduate Certificate in Arts (Specialisation)	Bachelor Degree* in Arts or related discipline		Relevant work experience	6.0 (6.0)	0.5	Specialisations available in Aboriginal Studies, Asian Studies, Australian Studies, Chinese, Classical & Medieval Studies, English, French, German, History, Indonesian, Japanese, Philosophy (Incorporating Gender Studies), Sociology (not available for commencement in 2009 or 2010), and Social Research. Can proceed to GDArts (Spec) (1 year total duration) and then MArts (Spec) (1.5 years total duration).
Graduate Certificate in Contemporary Arts (Specialisation)***	Bachelor Degree* in Visual Arts, Design, Theatre or Music or related discipline	Interview	Relevant professional qualifications and/or relevant work experience	6.0 (6.0)	0.5	Can proceed to GDCA (Spec) (1 year total duration) and then MCA (Spec) (1.5 years total duration).
Graduate Certificate in Criminology and Corrections	Bachelor Degree* in any discipline		Equivalent qualifications and/or relevant work experience	6.0 (6.0)	0.5	Can proceed to GDC&C (1 year total duration) and then MC&C (1.5 years total duration).
Graduate Certificate in Fine Art and Design (Specialisation)	Bachelor Degree* in Fine Arts, Design or related discipline	Portfolio of 10-20 images of recent work (preferably on DVD or electronically); AND CV; AND a statement of interest	Relevant professional qualifications and/or relevant work experience	6.0 (6.0)	0.5	Images of art and design work should be fully detailed, including name of artist/designer, year made, materials, dimensions and a brief contextual description as well as an outline of the intention of the exhibition/presentation of the work. CV should detail education, employment, exhibition and marketing achievements, referees and other relevant information. Statement of interest should include a brief introduction to applicant's reason for seeking entry to the course, learning expectations and an outline of the art or design project/s that may be pursued. Can proceed to GDVC (1 year total duration) and then MVC (1.5 years total duration).
Graduate Certificate in International Politics	Bachelor Degree* in any discipline		Relevant qualifications AND relevant work experience	6.0 (6.0)	0.5	Can proceed to GDIP (1 year total duration) and then MIP (1.5 years total duration).
Graduate Certificate in Journalism, Media and Communications	Bachelor Degree* in any discipline			7.0 (6.5)	0.5	Can proceed to GDJourn (1 year total duration) and then MJourn (1.5 years total duration).
Graduate Certificate in Music Studies	Bachelor Degree* in Music	Entrance examination, audition and/or interview		6.0 (6.0)	0.5	Can proceed to GDMusSt (1 year total duration) and then MMusSt (1.5 year total duration).
Graduate Certificate in Police Studies	Bachelor Degree* in any discipline		Equivalent qualifications and/or relevant work experience	6.0 (6.0)	0.5	Endorsed by the Tasmanian Department of Police and Public Safety. Can proceed to GDPoliceStuds (1 year total duration) and then MPoliceStuds (1.5 years total duration).
Graduate Certificate in Public Administration (International)	Bachelor Degree* in any discipline		Equivalent qualifications and/or relevant work experience	6.0 (6.0)	0.5	Can proceed to GDPAAdmin (Int'l) (1 year total duration) and then MPAdmin (Int'l) (1.5 years total duration).
Graduate Certificate in Public Policy	Bachelor Degree* in any discipline		Equivalent qualifications and/or relevant work experience	6.0 (6.0)	0.5	Endorsed by, and has the support of, the Office of the State Service Commissioner. Can proceed to GDPubPol (1 year total duration) and then MPubPol (1.5 years total duration).
Graduate Certificate in Visual Communication	Bachelor Degree* in Visual Communication, Design, Fine Arts or related discipline	Portfolio of 10-20 Images of recent work (preferably on DVD or electronically); AND CV; AND a statement of interest	Relevant professional qualifications and/or relevant work experience	6.0 (6.0)	0.5	Images of art and design work should be fully detailed, including name of artist/designer, year made, materials, dimensions and a brief contextual description as well as an outline of the intention of the exhibition/presentation of the work. CV should detail education, employment, exhibition and marketing achievements, referees and other relevant information. Statement of interest should include a brief introduction to applicant's reason for seeking entry to the course, learning expectations and an outline of the art or design project/s that may be pursued. Can proceed to GDFAD (Spec) (1 year total duration) and then MFAD (1.5 years total duration).
AMC						
Graduate Certificate in Applied Science (Marine Environment)	Bachelor Degree* in Environmental Management, Wildlife Management, Environmental Economics, Ecological Economics, Environmental Law, Ocean Policy, Marine Affairs, Marine Science, Environmental Science, or a related discipline	Demonstrable experience in aquatic science		6.0 (6.0)	0.5	Can proceed to GDAppSci (ME) (1 year total duration), MAppSci (ME) (1.5 years total duration) or MAppSci (ME) with Honours (2 years total duration).
Graduate Certificate in Maritime and Logistics Management	Bachelor Degree* in Business or related discipline	2 years' relevant work experience	Relevant professional qualifications such as a Class 1 Certificate of Competency AND relevant work experience OR extensive relevant work experience. A GMAT may be requested for applicants using an alternate entry method	6.0 (6.0)	0.5	Also available by distance. Can proceed to GDMML (1 year total duration) and then MBA (MLM) (1.5 years total duration). Recognised by the Chartered Institute of Transport, the Institute of Chartered Shipbrokers, and the Australian Institute of Export.
Business						
Graduate Certificate in Business	Bachelor Degree* in any discipline		5 years' relevant work experience	6.0 (6.0)	0.5	May assist students in gaining membership in bodies such as the Australian Human Resources Institute and the Australian Marketing Institute, depending upon the sequence of units chosen. Can proceed to GDBA (1 year total duration), MBUS (1 year total duration), or MBUS (Spec) (2 years total duration).
Graduate Certificate in Corporate Governance	Bachelor Degree* in any discipline		5 years' relevant work experience	6.0 (6.0)	0.5	Distance only.
Graduate Certificate in General Studies	Bachelor Degree* in any discipline		5 years' relevant work or community experience	6.0 (6.0)	0.5	Can proceed to a number of postgraduate programs offered by the Faculty of Business with Faculty approval.
Graduate Certificate in International Business	Bachelor Degree* in any discipline		3 years' relevant work experience	6.0 (6.0)	0.5	Can proceed to MIB (1 year total duration) or MIB (Spec) (2 years total duration).

Program	Minimum Entry Requirements	Additional Requirements	Alternate Entry	IELTS Overall (individual band no less than)†	Duration (years)	Notes
Graduate Certificate of Management	Bachelor Degree* in any discipline	6 months' relevant work experience	7 years' relevant work experience	6.0 (6.0)	0.5	Can proceed to GDBA (1 year total duration).
Graduate Certificate in Marketing	Bachelor Degree* in any discipline		3 years' relevant work experience	6.0 (6.0)	0.5	Can proceed to MMrktg (1 year total duration) or Mrktg (Spec) (2 years total duration).
Education						
Graduate Certificate of Education	Bachelor Degree* in any discipline			6.5 (6.0)	0.5	Does not lead to registration as a teacher in Australia. Also available by distance. Can proceed to MEd (1 year total duration).
Health Science						
Graduate Certificate in E-Health (Health Informatics)	Bachelor Degree* or AQF Diploma** with a Major in a Health related or Communications Technology discipline		Relevant work experience and/or training	6.0 (6.0)	Minimum 1 year	Available by distance only. Can proceed to GDE-Health (HI) (minimum 2 year total duration).
Science						
Graduate Certificate in Geographic Information Systems	Bachelor Degree* in any discipline		Relevant professional experience and/or training	6.0 (6.0)	0.5	Can proceed to GDSIS (Hons) (1 year total duration) if achieve a credit average in GCGIS.
Graduate Certificate in Information Systems	Bachelor Degree* in any discipline		7 years' relevant work experience and demonstrated IT competencies	6.0 (6.0)	0.5	Can proceed to GDIS (1 year total duration).
Graduate Diplomas						
Arts						
Graduate Diploma of Art, Design and Environment	Bachelor Degree* in Fine Arts, Design or related discipline	Portfolio of 10-20 Images of recent work (preferably on DVD or electronically); AND CV; AND a statement of interest	Successful completion of the UTAS GCADE OR relevant professional qualifications and/or relevant work experience	6.0 (6.0)	1	Images of art and design work should be fully detailed, including name of artist/designer, year made, materials, dimensions and a brief contextual description as well as an outline of the intention of the exhibition/presentation of the work. Graduate Diploma in Contemporary Arts (Specialisation)***	Bachelor Degree* in Visual Arts, Design, Theatre or Music or related discipline	Interview	Successful completion of GCCA (Spec) OR relevant professional qualifications and/or relevant work experience	6.0 (6.0)	1	Can proceed to MCA (Spec) (1.5 years total duration).
Graduate Diploma of Criminology and Corrections	Bachelor Degree* in any discipline		Successful completion of the UTAS GCC&C OR equivalent qualifications and/or relevant work experience	6.0 (6.0)	1	Can proceed to MC&C (1.5 years total duration).
Graduate Diploma of Fine Art and Design (Specialisation)	Bachelor Degree* in Fine Arts, Design or related discipline	Portfolio of 10-20 Images of recent work (preferably on DVD or electronically); AND CV; AND a statement of interest	Successful completion of the UTAS GCFAD (Spec) OR relevant professional qualifications and/or relevant work experience	6.0 (6.0)	1	Images of art and design work should be fully detailed, including name of artist/designer, year made, materials, dimensions and a brief contextual description as well as an outline of the intention of the exhibition/presentation of the work. CV should detail education, employment, exhibition and marketing achievements, referees and other relevant information. Statement of interest should include a brief introduction to applicant's reason for seeking entry to the course, learning expectations and an outline of the art or design project/s that may be pursued. Can proceed to MFAD (1.5 years total duration).
Graduate Diploma in International Politics	Bachelor Degree* in any discipline		Successful completion of the UTAS GCIP OR relevant qualifications and relevant work experience	6.0 (6.0)	1	Can proceed to MIP (1.5 years total duration).
Graduate Diploma in Journalism, Media and Communications	Bachelor Degree* in any discipline		Successful completion of the UTAS GCJourn	7.0 (6.5)	1	Can proceed to MJourn (1.5 years total duration).
Graduate Diploma of Music Studies	Bachelor Degree* in Music	Entrance examination, audition and/or interview	Successful completion of the UTAS GCMusSt	6.0 (6.0)	1	Can proceed to MMusSt (1.5 years total duration).
Graduate Diploma in Police Studies	Bachelor Degree* in any discipline		Successful completion of the UTAS GCPoliceStuds	6.0 (6.0)	1	Endorsed by the Tasmanian Department of Police and Public Safety. Can proceed to MPoliceStuds (1.5 years total duration).
Graduate Diploma of Public Administration (International)	Bachelor Degree* in any discipline		Successful completion of the UTAS GCPubAdmin (Intl)	6.0 (6.0)	1	Can proceed to MPubAdmin (Intl) (1.5 years total duration).
Graduate Diploma in Public Policy	Bachelor Degree* in any discipline		Successful completion of the UTAS GCPubPol	6.0 (6.0)	1	Endorsing by, and has the support of, the Office of the State Service Commissioner. Can proceed to MPubPol (1.5 years total duration).
Graduate Diploma in Visual Communication	Bachelor Degree* in Visual Communication, Design, Fine Arts or related discipline	Portfolio of 10-20 Images of recent work (preferably on DVD or electronically); AND CV; AND a statement of interest	Successful completion of the UTAS GCVC, GDFA&D(S), MFA&D, GCAD&E, GDAD&E or MAD&E OR relevant professional qualifications and/or relevant work experience	6.0 (6.0)	1	Images of art and design work should be fully detailed, including name of artist/designer, year made, materials, dimensions and a brief contextual description as well as an outline of the intention of the exhibition/presentation of the work. CV should detail education, employment, exhibition and marketing achievements, referees and other relevant information. Statement of interest should include a brief introduction to applicant's reason for seeking entry to the course, learning expectations and an outline of the art or design project/s that may be pursued. Can proceed to MVC (1.5 years total duration).
AMC						
Graduate Diploma of Applied Science (Marine Environment)	Bachelor Degree* in Environmental Management, Wildlife Management, Environmental Economics, Ecological Economics, Environmental Law, Ocean Policy, Marine Affairs, Marine Science, Environmental Science, or a related discipline	Demonstrable experience in aquatic science	Successful completion of the UTAS GCAppSci (ME)	6.0 (6.0)	1	Can proceed to MAppSci (ME) (1.5 years total duration) or MAppSci (ME) with Honours (2 years total duration).
Graduate Diploma of Maritime and Logistics Management	Bachelor Degree* in Business or related discipline	2 years' relevant work experience	Successful completion of the UTAS GCMLM OR relevant professional qualifications such as a Class 1 Certificate of Competency AND relevant work experience OR extensive relevant work experience. A GMAT may be requested for applicants using an alternate entry method	6.0 (6.0)	1	Also available by distance. Graduates with a credit average can proceed to MBA (MLM) (1.5 year total duration). Recognised by the Chartered Institute of Transport, the Institute of Chartered Shipbrokers, and the Australian Institute of Export.
Business						
Graduate Diploma of Business Administration	Bachelor Degree* in any discipline	6 months' relevant work experience	Successful completion of the UTAS GCMgt or equivalent	6.0 (6.0)	1	Can proceed to MBA (1.5 years total duration) or MBA (Spec) (2 years total duration).

Program	Minimum Entry Requirements	Additional Requirements	Alternate Entry	IELTS Overall (individual band no less than)†	Duration (years)	Notes
Graduate Diploma in Professional Accounting	Bachelor Degree* in any discipline aside from an Australian degree with Major studies in Accounting		Successful completion of the UTAS GCPA OR relevant work experience	6.0 (6.0)	1	This degree does not meet the academic requirements of CPA, NIA or ICAA. Can proceed to MPA (1.5 years total duration) or MPA (Spec) (2 years total duration).
Health Science						
Graduate Diploma of E-Health (Health Informatics)	Bachelor Degree* or AQF Diploma** with a Major in a Health related or Communications Technology discipline		Relevant work experience and/or training	6.0 (6.0)	Minimum 2 years	Available by distance only.
Graduate Diploma of Medical Laboratory Sciences	Bachelor Degree* in Biochemistry, Medical Science, Health Science, Science, or related discipline	Credit average in Bachelor level studies or equivalent AND studies of Biochemistry/Physiology at second year level (or equivalent) and an introductory understanding of immunology and microbiology		6.0 (6.0)	1.5	Graduates will be eligible to sit the examination for membership of the Australian Institute of Medical Scientists (AIMS), once they have completed the relevant work experience. <i>Some students may be able to complete this program in 12 months with Faculty approval based on their previous qualifications and relevant experience.</i>
Graduate Diploma in Pathology	Bachelor Degree* in Applied Science, Biomedical Science, Medicine, Pharmacy, Nursing or Vet Science	Relevant work experience in a diagnostic pathology laboratory AND Referee Reports		6.0 (6.0)	1	
Graduate Diploma of Pharmaceutical Science*	Bachelor Degree* in Science			6.5 (6.0)	1	This degree does not meet the requirements to register as a Pharmacist in Australia. With approval from the Head of School, graduates of this course may be eligible to complete a Research Thesis weighted at 50% and graduate with the Master of Pharmaceutical Science (1.5 years total duration).
Law						
Graduate Diploma in Legal Practice	Bachelor Degree* in Law		Passed the requirements of the subjects prescribed by the Board of Legal Education pursuant to Section 25 of the Legal Profession Act 2007 (Tas)	6.0 (6.0)	0.5	Normal prerequisite for admission as a Barrister and Solicitor of the Supreme Court of Tasmania.
Science						
Graduate Diploma of Agricultural Science	Bachelor Degree* in Science			6.0 (6.0)	1	
Graduate Diploma of Agricultural Science with Honours	Bachelor Degree* in Science	Credit average in final year of Bachelor degree or equivalent	3 years* postgraduate experience for those applicants without a credit average in their final year	6.0 (6.0)	1	Designed as a pathway to Masters by Research or PhD studies.
Graduate Diploma of Computing	Bachelor Degree* in any discipline		6 years* relevant work experience in the IT industry	6.0 (6.0)	1	Can proceed to MIT (2 years total duration) or MComp (2 years total duration).
Graduate Diploma in Counselling	Bachelor Degree* with a Major in Psychology, Behavioural Science or related discipline	Interview and may be required to submit a professional statement including professional references, statement of intent, work history and police records check.		6.0 (6.0)	1	Graduates are not eligible to register as a Psychologist. Can proceed to MCounselling (2 years total duration).
Graduate Diploma of Environmental Management	Bachelor Degree* in any discipline	Credit average in Bachelor level studies or equivalent		6.5 (6.0)	1	Can proceed to MEnvMgt (1.5 years total duration).
Graduate Diploma of Environmental Planning	Bachelor Degree* in any discipline	Credit average in Bachelor level studies or equivalent		6.5 (6.0)	1	Accredited by the Planning Institute of Australia (PIA). After one year of relevant work experience, graduates are eligible to apply for PIA corporate membership. Can proceed to MEnvPlan (1.5 years total duration)
Graduate Diploma in Information Management	Bachelor Degree* in any discipline			6.0 (6.0)	1	Graduates can seek membership of ALIA.
Graduate Diploma in Information Systems	Bachelor Degree* in any discipline		Successful completion of the UTAS GCIS OR equivalent	6.0 (6.0)	1	Graduates are eligible for Associate Membership of ACS. Can proceed to MIS (2 years total duration).
Graduate Diploma in Rehabilitation Counselling	Bachelor Degree* with a Major in Psychology, Behavioural Science or related discipline	Interview and may be required to submit a professional statement including professional references, statement of intent, work history and police records check.		6.0 (6.0)	1	Accredited by the Australian Society of Rehabilitation Counsellors (ASORC). Graduates are not eligible to register as a Psychologist. Can proceed to MRehabCounselling (2 years total duration).
Graduate Diploma of Science	Bachelor Degree* in Science	Meet prerequisites for intended specialisation. <i>See Notes.</i>		6.0 (6.0)	1	Specialisations available in Chemistry, Computer Science/Software Engineering, Geology, Geophysics, Computational Mathematics, Operations Research, Statistical Applications, Physics, and Psychology. Additional prerequisites are as follows: Chemistry - 1st year University level chemistry or extensive practical experience in chemistry or a chemistry-related profession; Computer Science/Software Engineering - knowledge or experience in computer programming; Geology - 1st year University level geology; Geophysics - minimum of 25% 2nd year level physics units; Computational Mathematics - KMA152 Calculus and Applications 1A and KMA154 Calculus and Applications 1B, or equivalent; Operations Research - 25% 1st year level mathematics units; Statistical Applications - experience in conducting scientific experiments or quantitative investigations; Physics - 1st year University level physics or extensive practical experience in physics or a physics-related profession; Psychology - 1st year University level psychology or extensive practical experience in a related profession. Depending on the area of specialisation, graduates may be eligible for membership of a number of professional organisations.
Graduate Diploma of Science (Antarctic & Southern Ocean Studies)	Bachelor Degree* in any discipline			6.0 (6.0)	1	
Graduate Diploma of Science with Honours	Bachelor Degree* in Science		Faculty consider the applicant adequately prepared to undertake the course	6.0 (6.0)	1	Specialisations available in Biochemistry, Botany, Chemistry, Computer Science/Software Engineering, Forest Processes, Genetics, Geography & Environmental Studies, Geology/Geophysics/Geochemistry, Mathematics, Medical Microbiology, Microbiology, Physics, and Zoology. Depending on the area of specialisation, graduates may be eligible for membership of a number of professional organisations.
Graduate Diploma in Spatial Information Science with Honours	Bachelor Degree* in any discipline		Successful completion of UTAS GCGIS	6.0 (6.0)	1	
Masters						
Arts						
Master of Art, Design and Environment	Bachelor Degree* in Fine Arts, Design or related discipline	Portfolio of 10-20 images of recent work (preferably on DVD or electronically); AND CV; AND a statement of interest	Successful completion of the UTAS GDADE OR relevant professional qualifications and/or relevant work experience	6.0 (6.0)	1.5	Images of art and design work should be fully detailed, including name of artist/designer, year made, materials, dimensions and a brief contextual description as well as an outline of the intention of the exhibition/presentation of the work. Program	Minimum Entry Requirements	Additional Requirements	Alternate Entry	IELTS Overall (Individual band no less than)†	Duration (years)	Notes
Master of Arts (Specialisation)	Bachelor Degree* in Arts or related discipline	Credit average in Bachelor level studies or equivalent	Successful completion of the UTAS GCArts (Spec) or GDArts (Spec) with a credit average OR relevant work experience	6.0 (6.0)	1.5	Specialisations available in Aboriginal Studies, Asian Studies, Australian Studies, Chinese, Classical & Medieval Studies, English, French, German, History, Indonesian, Japanese, Philosophy (incorporating Gender Studies), Sociology (not available for commencement in 2009 or 2010), and Social Research.
Master of Contemporary Arts (Specialisation)	Bachelor Degree* in Visual Arts, Theatre or Music, or related discipline	Interview and/or Audition	Relevant professional qualifications and/or relevant work experience	6.0 (6.0)	1.5	
Master of Criminology and Corrections	Bachelor Degree* in any discipline		Successful completion of the UTAS GDC&C OR equivalent qualifications and/or relevant work experience	6.0 (6.0)	1.5	
Master of Fine Art and Design	Bachelor Degree* in Fine Arts, Design or related discipline	Portfolio of 10-20 images of recent work (preferably on DVD or electronically); AND CV; AND a statement of interest	Relevant professional qualifications and/or relevant work experience	6.0 (6.0)	1.5	Images of art and design work should be fully detailed, including name of artist/designer, year made, materials, dimensions and a brief contextual description as well as an outline of the intention of the exhibition/presentation of the work. CV should detail education, employment, exhibition and marketing achievements, referees and other relevant information. Statement of interest should include a brief introduction to applicant's reason for seeking entry to the course, learning expectations and an outline of the art or design project/s that may be pursued.
Master of International Politics	Bachelor Degree* in any discipline	Distinction average in Bachelor level studies or equivalent	Successful completion of the UTAS GDIP with a Distinction average OR relevant qualifications and relevant work experience	6.0 (6.0)	1.5	
Master of Journalism, Media and Communications	Bachelor Degree* in any discipline		Successful completion of the UTAS GCJourn or GDJourn or equivalent	7.0 (6.5)	1.5	
Master of Music	Bachelor Degree* in Music	Audition. <i>See Notes.</i>		6.0 (6.0)	2	Performers are expected to prepare at least 30-40 minutes of music that demonstrates their musical skills. Composers are to submit a folio of recent work as scores, sound recording, video, or a combination of these.
Master of Music Studies	Bachelor Degree* in Music	Entrance examination, audition and/or interview	Successful completion of the UTAS GDMusSt	6.0 (6.0)	1 calendar year	
Master of Police Studies	Bachelor Degree* in any discipline	Distinction average in Bachelor level studies or equivalent	Successful completion of the UTAS GPoliceStuds with a Distinction average OR relevant professional qualifications and relevant work experience	6.0 (6.0)	1.5	Endorsed by the Tasmanian Department of Police and Public Safety.
Master of Public Administration (International)	Bachelor Degree* in any discipline	Distinction average in Bachelor level studies or equivalent	Successful completion of the UTAS GPubAdmin (Intl) with a Distinction average OR relevant professional qualifications and relevant work experience	6.0 (6.0)	1.5	
Master of Public Policy	Bachelor Degree* in any discipline	Distinction average in Bachelor level studies or equivalent	Successful completion of the UTAS GPubPol with a Distinction average OR relevant professional qualifications and relevant work experience	6.0 (6.0)	1.5	Endorsed by, and has the support of, the Office of the State Service Commissioner.
Master of Visual Communication	Bachelor Degree* in Visual Communication, Fine Arts, Design or related discipline	Portfolio of 10-20 images of recent work (preferably on DVD or electronically); AND CV; AND a statement of interest	Successful completion of the UTAS GCVC, GDVC, MFA&D, GCAD&E, GDAD&E or MAD&E OR relevant professional qualifications and/or relevant work experience	6.0 (6.0)	1.5	Images of art and design work should be fully detailed, including name of artist/designer, year made, materials, dimensions and a brief contextual description as well as an outline of the intention of the exhibition/presentation of the work. CV should detail education, employment, exhibition and marketing achievements, referees and other relevant information. Statement of interest should include a brief introduction to applicant's reason for seeking entry to the course, learning expectations and an outline of the art or design project/s that may be pursued.
AMC						
Master of Applied Science (Marine Environment)	Bachelor Degree* in Environmental Management, Wildlife Management, Environmental Economics, Ecological Economics, Environmental Law, Ocean Policy, Marine Affairs, Marine Science, Environmental Science, or a related discipline	Demonstrable experience in aquatic science	Successful completion of the UTAS GAppSci (ME)	6.0 (6.0)	1.5	Can proceed to MAppSci (ME) with Honours (2 years total duration).
Master of Applied Science (Marine Environment) with Honours	Bachelor Degree* in Environmental Management, Wildlife Management, Environmental Economics, Ecological Economics, Environmental Law, Ocean Policy, Marine Affairs, Marine Science, Environmental Science, or a related discipline	Demonstrable experience in aquatic science	Successful completion of the UTAS MAppSci (ME)	6.0 (6.0)	2	
MBA (Maritime and Logistics Management)	Bachelor Degree* in Business or related discipline	2 years' relevant work experience	Successful completion of the UTAS GCMLM or GDMLM OR relevant professional qualifications such as a Class 1 Certificate of Competency AND relevant work experience OR extensive relevant work experience. A GMAT may be requested for applicants using an alternate entry method	6.0 (6.0)	1.5	Also available by distance. Recognised by the Chartered Institute of Transport, the Institute of Chartered Shipbrokers, and the Australian Institute of Export.
Business						
Master of Business	Bachelor Degree* in any discipline		Successful completion of the UTAS GCBus	6.0 (6.0)	1	May assist students in gaining membership in bodies such as the Australian Human Resources Institute and the Australian Marketing Institute, depending upon the sequence of units chosen. Can proceed to MBus (Specialisation) (2 years total duration) or MBA (Specialisation) (2 years total duration).
Master of Business (Specialisation)	Bachelor Degree* in any discipline		Successful completion of the UTAS GCBus, GDBA or MBus	6.0 (6.0)	2	Specialisations available include Asian Studies, Corporate Governance, HRM, Information Systems, International Business, Journalism & Media Studies, Marketing. May assist students in gaining membership in bodies such as the Australian Human Resources Institute and the Australian Marketing Institute, depending upon the sequence of units chosen.
Master of Business Administration	Bachelor Degree* in any discipline	2 years' relevant work experience	Successful completion of the UTAS GDBA or equivalent	6.0 (6.0)	1.5	Also available by Distance, minimum duration 3 years (excluding Spring/Summer units). Can proceed to MBA (Specialisation) (2 years total duration)

Program	Minimum Entry Requirements	Additional Requirements	Alternate Entry	IELTS Overall (Individual band no less than)†	Duration (years)	Notes
Master of Business Administration (Health Management)	Bachelor Degree* in any discipline	2 years' relevant work experience		6.0 (6.0)	2.5	Distance only
Master of Business Administration (Specialisation)	Bachelor Degree* in any discipline		Successful completion of the UTAS GCMgt, GDBA, MBus or MBA	6.0 (6.0)	2	Specialisations available include Aquaculture, Asian Studies, Corporate Governance, Finance, HRM, Information Systems, International Business, International Relations, Journalism & Media Studies, Marketing, and Professional Accounting. Graduates of the MBA (Professional Accounting) program meet the academic requirements of CPA, NIA or ICAA.
Master of International Business	Bachelor Degree* in any discipline		Successful completion of the UTAS GCIB	6.0 (6.0)	1	Can proceed to MIB (Specialisation) (2 years total duration)
Master of International Business (Specialisation)	Bachelor Degree* in any discipline		Successful completion of the UTAS GCIB or MIB	6.0 (6.0)	2	Specialisations available include Aquaculture, Asian Studies, Business Management, Corporate Governance, HRM, Information Systems, International Relations, Journalism & Media Studies, and Marketing.
Master of Marketing	Bachelor Degree* in any discipline		Successful completion of the UTAS GCMrktg	6.0 (6.0)	1	Can proceed to MMrktg (Specialisation) (2 years total duration)
Master of Marketing (Specialisation)	Bachelor Degree* in any discipline		Successful completion of the UTAS GCMrktg or MMrktg	6.0 (6.0)	2	Specialisations available include Aquaculture, Asian Studies, Business Management, Corporate Governance, HRM, Information Systems, International Business, International Relations, and Journalism & Media Studies.
Master of Professional Accounting	Bachelor Degree* in any discipline aside from an Australian degree with Major studies in Accounting		Successful completion of the UTAS GDPA for those who entered with a Bachelor or Masters degree	6.0 (6.0)	1.5	Graduates meet the academic requirements for membership of CPA, NIA or ICAA. Can proceed to MPA (Specialisation) (2 years total duration)
Master of Professional Accounting (Specialisation)	Australian Year 12 + AQF Advanced Diploma** , Australian Year 12 + 3-year Diploma, or equivalent		Successful completion of the UTAS GCPA, GDPA or MPA	6.0 (6.0)	2	Specialisations available include Business Management, Corporate Governance, HRM, Information Systems, International Business, and Marketing.
Education						
Master of Education	Bachelor Degree* in Education OR Bachelor Degree* in any discipline AND an AQF Diploma** in Education or Bachelor Degree* in Teaching	2 years' teaching or training experience	Successful completion of the UTAS GCed. TESOL Specialisation only - Bachelor degree* in any discipline AND a minimum of 2 years' relevant work experience	6.5 (6.0)	1	Does not lead to registration as a teacher in Australia. Also available by distance. Can proceed to Med (Hons) (1.5 years total duration).
Master of Education (Honours)	Masters Degree* in Education	Credit average in Master of Education degree or equivalent		6.5 (6.0)	1.5	Does not lead to registration as a teacher in Australia. Also available by distance.
Health Science						
Master of Clinical Pharmacy*	Bachelor Degree* in Pharmacy	Registration as a Pharmacist in country of residence AND a minimum of 2 years' relevant work experience AND currently working as a Pharmacist		6.5 (6.0)	1.5	Available by distance only. Science						
Master of Antarctic Science	Bachelor Degree* in Science with a Major in Life Sciences			6.0 (6.0)	1.5	Successful candidates eligible to proceed to Master of Science (Research) or PhD studies with Faculty approval.
Master of Applied Science (Agricultural Science)	Bachelor Degree* in Science or Applied Science			6.0 (6.0)	2	
Master of Architecture*	Bachelor Degree* in Environmental Design or Architectural Studies	Bachelor degree must be and accredited program with an emphasis or major in Architecture AND portfolio AND interview		6.0 (6.0)	2	Accredited and recognised by the Australian Institute of Architects (AIA), the Architects Accreditation Council of Australia, and the Commonwealth Association of Architects (CAA). Recognition by the AIA and CAA offers opportunities for international recognition of this professional qualification.
Master of Architecture (Honours)*	Bachelor Degree* in Environmental Design or Architectural Studies	Bachelor degree must be and accredited program with an emphasis or major in Architecture AND portfolio AND interview		6.0 (6.0)	2	Accredited and recognised by the Australian Institute of Architects (AIA), the Architects Accreditation Council of Australia, and the Commonwealth Association of Architects (CAA). Recognition by the AIA and CAA offers opportunities for international recognition of this professional qualification.
Master of Applied Science (Behavioural Science)	Bachelor Degree* in Science or Applied Science			6.0 (6.0)	2	
Master of Applied Science (Chemistry)	Bachelor Degree* in Science or Applied Science			6.0 (6.0)	2	
Master of Applied Science (Computing)	Bachelor Degree* in Science or Applied Science			6.0 (6.0)	2	
Master of Computing	Bachelor Degree* in Computing or Bachelor Degree* with a Major in Computing		Successful completion of the UTAS Graduate Diploma of Computing with a minimum Credit grade in at least 4 Advanced Computing units	6.0 (6.0)	1.5	Graduates are eligible for to apply for full membership of the Australian Computer Society (ACS) and the Institute of Electrical and Electronic Engineers (IEEE).
Master of Computing	Bachelor Degree* in Computing or Computer Engineering		Successful completion of the UTAS Graduate Diploma of Computing	6.0 (6.0)	2	Graduates are eligible for to apply for full membership of the Australian Computer Society (ACS) and the Institute of Electrical and Electronic Engineers (IEEE).
Master of Counselling	Bachelor Degree* with a Major in Psychology, Behavioural Science or related discipline	Successful completion of the UTAS Graduate Diploma in Counselling or equivalent		6.0 (6.0)	2	Meets the requirements for listing on the Psychotherapy and Counselling Federation of Australia (PACFA) Register. Graduates are not eligible to register as a Psychologist.
Master of Applied Science (Earth Science)	Bachelor Degree* in Science or Applied Science			6.0 (6.0)	2	
Master of Economic Geology	Bachelor of Science* with Honours or equivalent		Bachelor* of Science or Applied Science AND 2 years' work experience as a professional geologist in industry or a government institution AND completion of a significant geological company report or paper, based on some aspect of work carried out during employment as professional geologist.	6.0 (6.0)	Minimum 2 years	Available by distance only.

Program	Minimum Entry Requirements	Additional Requirements	Alternate Entry	IELTS Overall (individual band no less than)†	Duration (years)	Notes
Master of Electronic Business	Bachelor Degree* in a related discipline		Bachelor Degree* without major or sub major studies in a relevant discipline AND 3 years' relevant work experience	6.0 (6.0)	1	Can proceed to ME-Bus (Specialisation) (2 years total duration)
Master of Electronic Business (Specialisation)	Bachelor Degree* in a related discipline		Bachelor Degree* without major or sub major studies in a relevant discipline AND 3 years' relevant work experience OR successful completion of the UTAS ME-Bus or equivalent	6.0 (6.0)	2	
Master of Environmental Management	Bachelor Degree* in any discipline		Successful completion of the UTAS GDEnvMgt or equivalent	6.5 (6.0)	1.5	
Master of Environmental Planning	Bachelor Degree* in any discipline	Credit average in Bachelor level studies or equivalent	Successful completion of the UTAS GDEnvPlan or equivalent	6.5 (6.0)	1.5	Accredited by the Planning Institute of Australia (PIA). After one year of relevant work experience, graduates are eligible to apply for PIA corporate membership.
Master of Applied Science (Environmental Studies)	Bachelor Degree* in Science or Applied Science			6.5 (6.0)	2	
Master of Applied Science (Geography)	Bachelor Degree* in Science or Applied Science			6.5 (6.0)	2	
Master of Applied Science (Horticultural Science)	Bachelor Degree* in Science or Applied Science			6.0 (6.0)	2	
Master of Information Systems	Bachelor Degree* in Information Systems, Computing or a related discipline		Successful completion of the UTAS GDIM or GDIS or equivalent	6.0 (6.0)	1	Graduates are eligible for Associate Membership of ACS. Can proceed to 1.5 or 2 year MIS on successful completion of 1-year MIS and with Faculty approval.
Master of Information Systems	Bachelor Degree* in any discipline		Successful completion of the UTAS GDIM or GDIS or equivalent	6.0 (6.0)	1.5	Graduates are eligible for Associate Membership of ACS. Students wishing to undertake the MIS project in the final semester of their program will require a distinction average in their first year of study and approval from the Head of School. Enrolment in the MIS Project is by invitation only. Those not meeting the requirements to undertake the MIS Project or not wishing to undertake this unit may specialise in a computing or business based area by undertaking 4 coursework units. Can proceed to 2 year MIS on successful completion of 1.5 year MIS and with Faculty approval.
Master of Information Systems	Bachelor Degree* in any discipline		Successful completion of the UTAS GDIM or GDIS or equivalent	6.0 (6.0)	2	Graduates are eligible for Associate Membership of ACS. Students wishing to undertake the MIS project in the final semester of their program will require a distinction average in their first 1.5 years of study and approval from the Head of School. Enrolment in the MIS Project is by invitation only. Those not meeting the requirements to undertake the MIS Project or not wishing to undertake this unit may specialise in a computing or business based area by undertaking 4 coursework units.
Master of Information Technology	UTAS Bachelor Degree* in Computing or Bachelor Degree* with a Major in Computing		Successful completion of the UTAS Graduate Diploma of Computing	6.0 (6.0)	1	Graduates are eligible for to apply for associate membership of the Australian Computer Society (ACS).
Master of Information Technology	Bachelor Degree* in Computing or Bachelor Degree* with a Major in Computing		Successful completion of the UTAS Graduate Diploma of Computing	6.0 (6.0)	1.5	Graduates are eligible for to apply for full membership of the Australian Computer Society (ACS) and the Institute of Electrical and Electronic Engineers (IEEE). Graduates with a Bachelor Degree* in Computer Science or Software Engineering may be awarded up to 4 units credit reducing the total duration to 1 year.
Master of Information Technology	Bachelor Degree* in any discipline			6.0 (6.0)	2	Graduates are eligible for to apply for full membership of the Australian Computer Society (ACS) and the Institute of Electrical and Electronic Engineers (IEEE).
Master of Applied Science (Mathematics & Physics)	Bachelor Degree* in Science or Applied Science			6.0 (6.0)	2	
Master of Applied Science (Microbiology)	Bachelor Degree* in Science or Applied Science			6.0 (6.0)	2	
Master of Applied Science (Plant Science)	Bachelor Degree* in Science or Applied Science			6.0 (6.0)	2	
Master of Psychology (Clinical)	Bachelor Degree* in Arts or Science or equivalent	1st or 2nd Class Honours in Bachelor degree* or equivalent	Applicants must satisfy staff from the School of Psychology that they are a suitable candidate for professional training in psychology. As such, an interview may be required.	6.0 (6.0)	2	Graduates who have undertaken studies in the clinical stream meet the academic requirements for registration as a psychologist, membership of the Australian Psychological Society and, following two years of supervised professional experience, membership of the APS College of Clinical Psychologists.
Master of Rehabilitation Counselling	Bachelor Degree* with a Major in Psychology, Behavioural Science or related discipline	Successful completion of the UTAS GDRehabCounsell or equivalent		6.0 (6.0)	2	Year 1 of this program is accredited by the Australian Society of Rehabilitation Counsellors (ASORC). Graduates are not eligible to register as a Psychologist.
Master of Applied Science (Remote Sensing & GIS)	Bachelor Degree* in Science or Applied Science			6.5 (6.0)	2	
Master of Applied Science (Sustainable Resource Management)	Bachelor Degree* in Science or Applied Science			6.0 (6.0)	2	

† Must have been completed within 24 months preceding application

‡ Strict quotas apply to this program. Meeting minimum entry requirements does not guarantee entry

* Bachelor degree must be comparable to Australian Bachelor degree as per NOOSR Guidelines
