1300 UT SAFE

Students can now phone or SMS “1300 UT SAFE” 24 hours a day, 7 days a week (cost of a local call) for any emergency or non-emergency situation (whether on or off-campus) and UTAS Security will attend and/or make the necessary arrangements with TasPolice and or/other emergency services.

Students can also SMS this number when on campus to request a UTAS security escort to another campus destination e.g. from the library to Accommodation Services late at night.

We encourage all students to save this number in their mobile phones!!

Medibank OSHC Direct Billing Centres

Medibank has developed an electronic claiming system for some doctors – meaning that the doctor can bulk bill Medibank directly for your appointment. This means that in most cases you will not be required to pay a fee when visiting the doctor. Doctors that bulk bill directly to Medibank are:

Grosvenor Street GP – 57 Grosvenor St, Sandy Bay 6224 1944
Lincoln Trust Clinic – 44A Lincoln St, Lindisfarne 6243 8611

** Some providers may charge an out-of-pocket payment that cannot be claimed. Please confirm any additional charges prior to visit.*

Call for Participation

Have you travelled from Saudi Arabia, China or South Korea to study at UTAS and are you in your first year of study?

If you are we would like to invite you to participate in a focus group discussion about your experience of communicating with your friends, family and community back home while you have been living in Tasmania. We are also interested in learning about your experience of meeting local people in Tasmania.

These discussions will be held in September. A focus group discussion will take about 2 hours of your time, food and drink will be provided.

If you are interested in participating, you can register at:
